Cambridge Sound Management

Sound masking systems from Cambridge Sound Management reduce office noise distractions, protect speech privacy, and improve office acoustics.

- **QtPro® Direct Field Sound Masking**
QtPro uniformly disperses a pre-tuned sound masking signal directly into the workspace. The result is a consistent and comfortable ambient sound throughout the space.
- **DynasoundPRO® Sound Masking Solutions**
The world's best in-plenum sound masking solution. DynasoundPro is the only networked sound masking system.
